

TETRA TECH

# Engaging Tetra Tech as Your REACH “Only Representative”

**1**

## ASSESSMENT PHASE

- Conduct product inventory
- Evaluate and apply all exemptions
- Evaluate your legal obligations under REACH
- Access any relevant publicly available toxicological data

**2**

## PRE-REGISTRATION PHASE

- Pre-register your substances with EU Chemicals Agency (ECHA)

**NOW!!**

**June 2008**

— **November 2008**

**3**

## SIEF PHASE

- Represent you in Substance Information Exchange Forum (SIEF)
- Negotiate confidentiality, data sharing, and cost sharing agreements with other SIEF members
- Conduct any necessary toxicological studies

**4**

## REGISTRATION PHASE

- Complete and submit your registration dossier to ECHA
- Respond to any questions from ECHA
- Provide any additional data requested by ECHA
- Going forward, maintain data accuracy if any new toxicological studies are released

**January 2009**

**December 2010**
