1.0 Target

We aim to pay all supplier invoices within agreed terms whenever possible and within 60 days of invoice date as a maximum.

2.0 Last 6 months performance

97% were paid within 60 days of receipt of invoice.

3.0 Continuous improvement

1. We will continue to ask that all suppliers please send all invoices directly to the accounts payable invoice address in a timely manner.
2. We intend to continue to expand the use of our requisition and purchase order system across our supplier base, if you are given a purchase order number, please quote this on your invoice.

4.0 Reporting progress

We will update this policy with progress at least every six months.
