RECOMMENDED CASH ACQUISITION

of

RPS Group plc ("RPS")

by

**Tetra Tech UK Holdings Limited ("Tetra Tech")
a wholly-owned subsidiary of Tetra Tech, Inc.**

Timing update

Further to the announcement of 3 November 2022 confirming that RPS Shareholders have voted in favour of the Scheme at the Court Meeting and the relevant resolution to implement the Scheme at the General Meeting, the Scheme remains subject to the remaining conditions set out in part 3 of the Scheme Document, including in particular:

1. foreign investment clearances in Australia and the United Kingdom (the "Regulatory Clearances"); and
2. the subsequent sanction of the Scheme by the Court.

Tetra Tech and RPS had been expecting to receive the Regulatory Clearances by early December and accordingly had expected that the Scheme would become effective before the end of the calendar year. However, the parties have now been informed that the statutory timetable for foreign investment clearance in Australia is currently due to expire on 13 December 2022 (although it is possible that this date could be extended).

In light of this delay and to provide certainty which will assist Tetra Tech in its integration planning, RPS has agreed to seek a Court hearing to sanction the Scheme at the earliest available date in January 2023. As a consequence, the Scheme is not expected to become effective before the end of 2022 as previously anticipated. Further details of the timetable are set out below.

Against this background, Tetra Tech and RPS have today entered into an agreement pursuant to which Tetra Tech, with effect from receipt of the Regulatory Clearances, will waive the Conditions relating to the Scheme set out at paragraphs 3.7 (i) to 3.7 (v) (inclusive) of part A of Part 3 of the Scheme Document. A copy of the agreement will be available on Tetra Tech's website at <https://www.tetratech.com/en/articles/investor-offer> and RPS' website at <https://www.rps.com/tetra-tech-offer/>.

Defined terms used but not defined in this announcement have the meanings set out in the scheme document sent to RPS Shareholders dated 11 October 2022 (the "Scheme Document"). All references to times in this announcement are to London time, unless otherwise stated.

Revised expected timetable

RPS, Tetra Tech and Tetra Tech, Inc. expect that, subject to the satisfaction (or, where applicable, waiver) of the Conditions, the timetable to Completion will be as follows:

<i>Event</i>	<i>Time and/or date⁽¹⁾</i>

Notes

(1) The dates and times given are indicative only, are based on current expectations, are subject to change (including as a result of changes to the regulatory timetable) and will depend, among other things, on the date on which: (i) the Conditions are either satisfied, or (if capable of waiver) waived; (ii) the Court sanctions the Scheme; and (iii) the Court Order sanctioning the Scheme is delivered to the Registrar of Companies. References to times are to London, United Kingdom time unless otherwise stated. If any of the times and/or dates above change, the revised times and/or dates will be notified to RPS Shareholders by announcement through a Regulatory Information Service and, if required by the Takeover Panel, notice of the change(s) will be sent to RPS Shareholders and other persons with information rights. Participants in the RPS Share Plans will be contacted separately to inform them of the effect of the Scheme on their rights under the RPS Share Plans.

(2) Tetra Tech, Tetra Tech, Inc. and RPS may agree a later date, with the consent of the Takeover Panel and, if required, which the Court may allow.

(3) This is the last date on which the Scheme may become Effective unless Tetra Tech and RPS, with the consent of the Takeover Panel and, if required, the approval of the Court, agree a later date.

Additional information for US investors

RPS Shareholders in the United States should note that the Acquisition relates to shares of an English company and is proposed to be effected by means of a scheme of arrangement provided for under, and governed by, the laws of England and Wales. A transaction effected by means of a scheme of arrangement is not subject to the tender offer rules or the proxy solicitation rules under the United States Securities Exchange Act of 1934, as amended (the "**US Exchange Act**").

Accordingly, the Acquisition is subject to the disclosure and procedural requirements applicable in the United Kingdom to schemes of arrangement which differ from the disclosure requirements of United States tender offer and proxy solicitation rules.

However, if Tetra Tech were to elect to implement the Acquisition by means of a Takeover Offer, such Takeover Offer shall be made in compliance with all applicable United States laws and regulations, including any applicable exemptions under the US Exchange Act, including Section 14(e) of the US Exchange Act and Regulation 14E thereunder. Such a takeover would be made in the United States by Tetra Tech and no one else.

In the event that the Acquisition is implemented by way of a Takeover Offer, in accordance with normal United Kingdom practice and pursuant to Rule 14e-5(b) of the US Exchange Act, Tetra Tech or its nominees, or its brokers (acting as agents), may from time to time make certain purchases of, or arrangements to purchase, shares or other securities of RPS outside the United States, other than pursuant to such Takeover Offer, during the period in which such Takeover Offer would remain open for acceptance. These purchases may occur either in the open market at prevailing prices or in private transactions at negotiated prices. If such purchases or arrangements to purchase were to be made, they would be made outside the United States and would comply with applicable law, including United Kingdom laws and the US Exchange Act. Any such purchases by Tetra Tech or its or its nominees, or its brokers (acting as agents), will not be made at prices higher than the price of the Acquisition provided in this announcement unless the price of the Acquisition is increased accordingly. Any information about such purchases or arrangements to purchase shall be disclosed as required in the United Kingdom, shall be reported to a Regulatory Information Service and shall be available on the London Stock Exchange website at www.londonstockexchange.com.

This announcement does not constitute or form a part of any offer to sell or issue, or any solicitation of any offer to purchase, subscribe for or otherwise acquire, any securities in the United States. Neither the Acquisition nor this announcement have been approved by the SEC, any state securities commission in the United States or any other US regulatory authority, nor have such authorities approved or disapproved or passed judgment upon the fairness or the merits of the Acquisition, or determined if this announcement is adequate, accurate or complete. Any representation to the contrary is a criminal offence in the United States.

Each RPS Shareholder is urged to consult their independent professional adviser immediately regarding the tax consequences of the Acquisition applicable to them, including under applicable United States state and local, as well as overseas and other, tax laws.

Except where otherwise indicated, financial information relating to RPS and/or the RPS Group included in this announcement and the Scheme Document has been or shall have been prepared in accordance with accounting standards applicable in the United Kingdom and may not be comparable to financial information of US companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the United States.

Tetra Tech, Inc. is incorporated under the laws of Delaware and RPS is organised under the laws of England and Wales. Some or all of the officers and directors of Tetra Tech Inc., Tetra Tech and RPS may be residents of countries other than the United States. In addition, most of the assets of RPS are located outside the United States. As a result, it may be difficult for US shareholders of RPS to effect service of process within the United States upon Tetra Tech, Inc., Tetra Tech and RPS or their respective officers or directors or to enforce against them a judgment of a US court predicated upon the federal or state securities laws of the United States.

Additional information for Canadian investors

Holders of RPS Shares resident or located in Canada should note that the Acquisition relates to shares of an English company and is proposed to be implemented by means of a scheme of arrangement provided for under the laws of England and Wales (although Tetra Tech reserves the right to implement the Acquisition by way of a Takeover Offer, subject to the Takeover Panel's consent). A transaction implemented by means of a scheme of arrangement is not subject to the provisions of Canadian provincial securities laws applicable to take-over bids. Accordingly, the Acquisition is subject to applicable disclosure and other procedural requirements and practices applicable in the United Kingdom, which differ from those applicable to take-over bids under Canadian provincial securities laws. Except where otherwise indicated, the financial information included in this announcement and the Scheme Document has been prepared in accordance with accounting standards applicable in the United Kingdom and thus may not be comparable to financial information of Canadian companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in Canada. If the Acquisition is implemented by way of a Takeover Offer, that offer will be made in compliance with (or pursuant to available exemptions from) the applicable requirements of Canadian provincial securities laws.

The receipt of cash pursuant to the Acquisition by a Canadian holder as consideration for the transfer of its RPS Shares pursuant to the Scheme may be a taxable transaction for Canadian federal income tax purposes and under applicable Canadian provincial income tax laws, as well as foreign and other tax laws. Each RPS Shareholder is urged to consult their independent professional adviser immediately regarding the tax consequences of the Acquisition applicable to them.

RPS is located in a country other than Canada, and some or all of its officers and directors may be residents of a country other than Canada. It may be difficult for Canadian holders of RPS Shares to enforce judgments obtained in Canada against any person that is incorporated, continued or otherwise organised under the laws of a foreign jurisdiction or resides outside Canada, even if the party has appointed an agent for service of process.

Such forward-looking statements reflect current beliefs of management of RPS or Tetra Tech, as applicable, and are based on certain factors and assumptions, which by their nature are subject to inherent risks and uncertainties. While RPS and Tetra Tech consider these factors and assumptions to be reasonable based on information available as at the date hereof, actual events or results could differ materially from the results, predictions, forecasts, conclusions, or projections expressed or implied in the forward-looking statements.

By their nature, forward-looking statements involve risk and uncertainty because they relate to events and depend on circumstances that shall occur in the future. If any one or more of these risks or uncertainties materialises or if any one or more of the assumptions prove incorrect, actual results may differ materially from those expected, estimated or projected. Accordingly, Tetra Tech and RPS can give no assurance that such expectations, estimations or projections will prove to be correct and such forward-looking statements

should therefore be construed in the light of such factors. Tetra Tech and RPS caution that the foregoing list of risk factors is not exhaustive. Neither RPS nor any of Tetra Tech or any member of the Wider Tetra Tech Group or the Wider RPS Group, nor any of their respective associates or directors, officers or advisers, provides any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in this announcement shall actually occur or that actual results will be consistent with forward-looking statements. Given these risks and uncertainties, readers should not place any reliance on forward-looking statements.

Specifically, statements of estimated cost savings and synergies relate to future actions and circumstances which, by their nature, involve risks, uncertainties and contingencies. As a result, the cost savings and synergies referred to may not be achieved, may be achieved later or sooner than estimated, or those achieved could be materially different from those estimated. Due to the scale of the Enlarged Group, there may be additional changes to the Enlarged Group's operations. As a result, and given the fact that the changes relate to the future, the resulting cost synergies may be materially greater or less than those estimated.

The forward-looking statements speak only at the date of this announcement. All subsequent oral or written forward-looking statements attributable to any member of the Tetra Tech Group or RPS Group, or any of their respective associates, directors, officers, employees or advisers, are expressly qualified in their entirety by the cautionary statement above.

Tetra Tech and RPS expressly disclaim any obligation to update such statements other than as required by law or by the rules of any competent regulatory authority, whether as a result of new information, future events or otherwise.

No profit forecasts or estimates

No statement in this announcement is intended as a profit forecast or estimate for any period and no statement in this announcement should be interpreted to mean that earnings or earnings per ordinary share for Tetra Tech or RPS, as appropriate, for the current or future financial years would necessarily match or exceed the historical published earnings or earnings per ordinary share for Tetra Tech or RPS, as appropriate.

Disclosure requirements of the Takeover Code

Under Rule 8.3(a) of the Takeover Code, any person who is interested in 1 per cent. or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the offer period and, if later, following the announcement in which any securities exchange offeror is first identified. An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of: (i) the offeree company; and (ii) any securities exchange offeror(s). An Opening Position Disclosure by a person to whom Rule 8.3(a) applies must be made by no later than 3.30 p.m. (London time) on the 10th Business Day following the commencement of the offer period and, if appropriate, by no later than 3.30 p.m. (London time) on the 10th Business Day following the announcement in which any securities exchange offeror is first identified. Relevant persons who deal in the relevant securities of the offeree company or of a securities exchange offeror prior to the deadline for making an Opening Position Disclosure must instead make a Dealing Disclosure.

Under Rule 8.3(b) of the Takeover Code, any person who is, or becomes, interested in 1 per cent. or more of any class of relevant securities of the offeree company or of any securities exchange offeror must make a Dealing Disclosure if the person deals in any relevant securities of the offeree company or of any securities exchange offeror. A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of: (i) the offeree company; and (ii) any securities exchange offeror(s), save to the

extent that these details have previously been disclosed under Rule 8. A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3.30 p.m. (London time) on the Business Day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3.

Opening Position Disclosures must also be made by the offeree company and by any offeror, and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4).
