

# Tetra Tech Source Water Protection Activity

Use Tetra Tech's "Keeping Our Source Water Safe, Together" blog to complete this activity for the Imagine A Day Without Water 2020 campaign.

**1** Name four sources of drinking water:

---

---

---

---

**2** Why is it important to protect source water for all communities and populations?

---

---

---

**3** Name five actions that could be included in a source water protection plan (be innovative):

---

---

---

---

---

**4** What are five things you can do to protect source water?

---

---

---

---

---
