To: Participants ("**Participants**") in the RPS Group plc 2014 International Share Purchase Plan ("**ISPP**")

11 October 2022

Dear Participant

Recommended cash acquisition of RPS Group plc ("RPS") by Tetra Tech UK Holdings Limited ("Tetra Tech") a wholly-owned subsidiary of Tetra Tech, Inc.

As you know, RPS, Tetra Tech and Tetra Tech, Inc. announced on 23 September 2022 that they had agreed the terms of a recommended Acquisition of RPS by Tetra Tech. In this letter, this is referred to as the "**Acquisition**".

This Letter tells you about the impact of the Acquisition on your Partnership Shares, Matching Shares and Vested Shares.

The Acquisition supersedes the WSP Offer. You received a letter dated 1 September 2022 from RPS and WSP Group Holdings Limited regarding the WSP Offer ("WSP Letter"). Although this

Letter and the WSP Letter look similar they are different. You do not need to take any action in relation to this Letter but please read it in its entirety.

Tetra Tech's offer is £2.22 in cash per RPS Share, which is greater than the £2.06 in cash per RPS Share offered under the WSP Offer. Apart from the identity of the company that would acquire the RPS Shares and the price for which they are acquired, the terms of the Acquisition and the impact of the Acquisition on your participation in the ISPP are substantively similar to the terms of the WSP Offer.

At the back of this Letter you will find a definitions section which explains the key defined terms used in this Letter. A copy of this Letter can also be found on RPS's website at <https://www.rpsgroup.com/tetra-tech-offer/> and on Tetra Tech's website at <https://www.tetratech.com/investor-offer>. This Letter should be read together with the Scheme Document.

You do not need to take any action in relation to this Letter

Yours faithfully

SECTION 1. IMPACT ON YOUR ISPP PARTICIPATION

1. How does the Acquisition affect my Partnership Shares, Matching Shares and Vested Shares?

Any Matching Shares that you hold will vest in full on Court Sanction.

Assuming the Acquisition proceeds, any Partnership Shares and Vested Shares (together with the RPS Shares you acquire on the vesting of any Matching Shares) that you hold will participate in the Acquisition. They will automatically be sold to Tetra Tech for £2.22 for each RPS Share held at the Scheme Record Time.

This is the same amount receivable by other RPS Shareholders.

2. What do I need to do?

You do not need to take any action now.

If RPS Shareholders vote in favour of the Acquisition, and certain other conditions are met, the Acquisition will take place. Your Partnership Shares and Vested Shares (together with the RPS Shares you acquire on the vesting of any Matching Shares) will automatically be sold to Tetra Tech under the Acquisition and you will receive a cash amount of £2.22 per RPS Share.

3. What will happen to the ISPP before the Acquisition completes?

The ISPP will continue as normal until the Acquisition completes.

4. What will happen to the ISPP after the Acquisition completes?

Assuming the Acquisition proceeds, the ISPP will not continue. You will be sent a closing statement when the Acquisition has been finalised.

5. If the Acquisition proceeds, when will I receive my cash payments?

If the Acquisition goes ahead, the cash consideration will be payable by Tetra Tech within 14 days of the Acquisition completing. This consideration will be received on your behalf and then paid to you (less deductions for income tax and social security contributions that the RPS Group is required to withhold) through the next practicable payroll after the cash consideration has been despatched by Tetra Tech.

You will receive payment in your payroll currency and, if different from GBP, it will be converted to your payroll currency at the exchange rate available to RPS on or around the date of payment.

6. How do I pay the income tax and social security contributions?

Any income tax and social security contributions that the RPS Group is required to deduct will be deducted from the cash consideration payable to you by Tetra Tech for the RPS Shares you receive on vesting of your Matching Shares and/or sale of your Partnership and Vested Shares.

If the RPS Group is not required to deduct income tax and social security contributions, it will be your responsibility to meet any tax liabilities.

7. What happens under the other RPS Share Plans?

If you also participate in any other RPS Share Plans, you will receive a separate communication about these plans.

8. What happens if I leave the RPS Group?

The leaver arrangements under the ISPP will apply to your Partnership Shares, Vested Shares and Matching Shares in the normal way if you leave the RPS Group before the Acquisition completes. You cannot continue to participate in the ISPP and what happens to your Matching Shares will depend on several factors, including why you leave.

You will be provided with more details at the time you leave the RPS Group.

SECTION 2. ACQUISITION SUMMARY

1. How does the Acquisition work?

The Acquisition is expected to be carried out through a process called a "scheme of arrangement". The Scheme has to be approved by RPS Shareholders and the Court. If you want to read more about this, please go to <https://www.rpsgroup.com/tetra-tech-offer/> on the RPS website, or <https://www.tetrattech.com/investor-offer> on the Tetra Tech website, where you will find the Scheme Document about the Acquisition that was sent to RPS Shareholders on 11 October 2022. A copy of this Letter is also available on the same RPS website and Tetra Tech website.

2. What can RPS Shareholders receive under the Acquisition?

For each RPS Share sold to Tetra Tech through the Scheme, an RPS Shareholder will receive £2.22.

3. When will the Acquisition take place?

The date for Court Sanction has not yet been set but is anticipated to occur by the end of 2022. The timing of Court Sanction and the Acquisition completing (known as the Effective Date) will be announced when known.

4. What will happen if the Acquisition does not complete?

If Court Sanction is not obtained, or if the Acquisition does not complete for some other reason, the ISPP will continue unaffected as before.
